

A detailed street map of a residential area in Las Vegas. The map shows a complex network of streets, including major thoroughfares like Las Vegas Blvd. and smaller residential streets. A specific area is highlighted in red and labeled 'ROGICH'. Other areas are highlighted in light red. The map includes street names, lot numbers, and a legend in the bottom right corner. The legend lists various street types and symbols used on the map. The map is oriented with North at the top. The highlighted area 'ROGICH' is located in the central part of the map, near the intersection of Las Vegas Blvd. and a major east-west street. The light red areas are located to the west and south of the 'ROGICH' area. The map is a technical drawing, likely a GIS output, showing the layout of the city's infrastructure. The streets are represented by black lines, and the highlighted areas are in red. The map is a detailed representation of the city's street network, showing the layout of the city's infrastructure. The streets are represented by black lines, and the highlighted areas are in red. The map is a technical drawing, likely a GIS output, showing the layout of the city's infrastructure. The streets are represented by black lines, and the highlighted areas are in red. The map is a detailed representation of the city's street network, showing the layout of the city's infrastructure.
